FARMVILLE

Farmville is'nt often moved to its depths as it was when it en tbused that line of heroes who "once wore the gray," all of whom still wear, by the reason of th gathered parts of many winters marched through the streets to th depot to take the train for the "Reunion." Forty-six years have come and gone since many of them wer to the front and yet many of ther still seem to be strong enough fo active marching and all of thes fer actual fight. Judge Hundle and Major Venable marched t gether and Capt. "Sam" Paulett and Col. "Bob" Miller were th "th ight, particular stars" of th procession. Their enthusiasm never left them from start to finish of th glad occasion just as their courag never flagged during the fo years of bloody war. The me who fell and the men who survive of that momentous struggle were the very flower of Southern manhood and no nation in all time tide ever offered more costly sacrifice on the altar of patriotism.

Our little city has of late been all aflamed of brilliancy and a flutter of waving ribbons and school banners. Young hearts have been beating in happy unison and rainbows of bright hopes have been making earth and sky radiant. Eloquence from pulpit and platform have been telling us that the day of the orator is not dead, while the glad bandsl akes and warm greeting have said to us that even in this utilitarian age some people still recognize that the "beautiful is as useful as is the useful," And now the girls are gone and a great gap has been left in Farmville's every day life. And so the incessant tramp, tramp, tramp of humanity goes on in ceaseless but never returning tide, ever bearing funeral marches to the grave.

The Baptists are congratulating themselves on having secured the services of Rev. Mr. Fugate as pastor. Fortunate the people who can be preached to by a good preacher and ministered by a good pastor. The happy combination is rather rare.

Miss Frank Prescott Jones, one of the recent Normal graduates, will have as her guests at the Hampden Sidney commencement, Miss Bessie Wade, of this place and Miss Dillard, of Chatham.

President McDaniel, of Hampden Sidney, has just returned from Fredericksburg, where he went to deliver a literary address. He is prince among men on that line, and how few there are who have such gifts. I remember once hearing the late Governor McKinney say that Mayor Kinley, then of Richmond, and one of the most gifted platform orators of the day in which he lived, should be engaged by the year to deliver all such speeches needed in Virginia, as he did it so much better than any other of those in who were ambitious to please at such work. I was impressed then with the wisdom of the suggestion which made and have often thought of it.

We are entering upon the dull business months of summer, but we have the dispensary and there is no such word as dullness in its vocabulary.

I wish you would say to your Andersonville correspondent that I have the twelve sermons in one volume, which were preached by the late W. J. Hoge, D.D. on "Blind Bartimeus" and will take pleasure in lending him the volume if he will send through you, his name and address. I would be glad to give him the book but as I very much prize it and don't know where to replace it, I will have to ask for its return. Dr. Hoge died young, and no doubt if he had lived he would have won a reputation equal to that of his illustrious brother, the late M. D. Hoge, D.D., who for 54 years occupied the pulpit of the 2nd Presbyterian church, Richmond.

The N. & W. authorities are so enamored of their new depot in Farmville that the old ones, passenger and freight, are both being sadly neglected and are beginning to show it. The paint brush is needed. They occupy prominent places at the north end of our Main street and should be made to look their best. It isn't often, however, that the N. & W. has to be touched up on the subject of 'tonching up' things.

And notwithstanding the protracted and severe cold there is fairness and fragrance in our flowers and already its grain is yellowing for the harvest. The rainbow promise is being fulfilled, "Anxiety is the poison of human life."

Miss Minor, who is one of the sweetest singers Farmville has ever known, and who for some sessions past has been giving vocal and instrumental lessons here during the Normal session, before leaving for the summer, entertained her friends at a delightful dance.

Mrs. Pratt and family will be greatly missed from our social and religious circles during their stay at their Buckingham home for the summer. We are glad to know that they will return to us with the beginning of the Normal session.

Mr. Walton Venable, a Prince Edward boy, who has been making his home in Charleston, W. Va. for many years, has been visiting friends in our town and the surrounding country of late.

Mr. W. P. Richardson has rented the home of Mrs. Emily Venable, on High Street and will occupy it with his family.

I have been told that the life of the late W. E. Davidson was insured for $5,000.

Our military company is in fine condition, but somehow a brass band has a hard struggle to live here.

I presume that my friend Mr. Louis D. Jones, of Buckingham, has more than usual interest in the decision bearing on the West Virginia debt, as I understand he has a good batch of those certificates for which she is bound. There is nothing for the plucky, mountain mining state to do but to settle up as she is too prosperous to tolerate repudiation.

Tetter Cured.

Often The Kidneys Are Weakened by Over-Work.

Unhealthy Kidneys Make Impure Blood.

It used to be considered that only urinary and bladder troubles were to be traced to the kidneys, but now modern science proves that nearly all diseases have their beginning in the disorder of these most important organs.

The kidneys filter and purify the blood—that is their work.

Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root, because as soon as your kidneys are well they will help all the other organs to health. A trial will convince anyone.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's **Swamp-Root**, the great kidney remedy, is soon realized. It stands the highest for its wonderful cures of the most distressing cases, and is sold on its merits by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle of Swamp-Root, by mail free, also a pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., Binghamton, N.Y. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N.Y., on every bottle.

OLD BUCKINGHAM.

THE GRAND OLD COUNTY PHOTOGRAPHED.

Many Interesting Reports Made of Her People.

Announcement.

To the Voters of Buckingham:

After being requested by many of our Democratic friends in Buckingham County, we now announce ourselves as the Independent candidates for the office of Sheriff of Buckingham County. We appreciate the kindness of our Republican friends in endorsing our candidacy and they have our thanks, but we want it distinctly understood that we are Independent candidates for this office and have been all the time, and have been endorsed by our Republican friends. Knowing the duties of this office we feel that we can manage the affairs of the office with due credit to ourselves. Thanking you for for your consideration expressed heretofore and bespeaking your further consideration, we are, Yours faithfully,

C. D. McCRAW
P. A. GRIGG.

For the Senate.

To the Voters of the Eighteenth Senatorial District. (Appomattox, Buckingham, Pinyanna and Charlotte;)

I respectfully announce myself a candidate for the State Senate, subject to your approval at the Democratic primary, pledging myself to the faithful discharge of the duties of the office if elected, and a watchful eye to the wishes and interest of our District.

Your obedient servant,
T. S. SCOTT.
t-d-of P Drakes Branch, Va.

Buckingham.

Those who attended Circuit Court on the 11th did so at the risk of being caught in rain, and many prominent citizens acted on the safe side, and stad at home, so that there was quite a small attendance. Captain Scott, of Charlotte, and Captain White, of Pinvanna, were both here in the interest each of his candidacy for the Democratic nomination for the State Senate. They both made good impressions. Captain Scott was comparatively a stranger here as this was his first visit to the county. Buckingham people take but little interest in this fight for the nomination, and think either one of the candidates will do very well, so that influential men who are known and are popular here could do much for the candidate they might work for.

Mr. H. T. Antrim, one of the cattle inspectors, reported to the Board of Supervisors that a lot of cattle had been sold that had ticks on them in violation of law, and the matter is likely to be investigated at the next meeting of the Board.

Mrs. Dabney Bondurant Hare, of Alexandria, is visiting her parents, Mr. and Mrs. A. J. Bondurant.

Mr. Joseph Jones, traveling for a Lynchburg house, attended Court, as did Messrs. John V. and Willis Spencer and Mr. Haskins.

Rev. John Spencer has had a visit from his son, Mr. R. L. Spencer, who has been in the West for the past 20 years.

Mr. J. T. Spencer is engaged with his son, Ashley Spencer, in the mercantile business at Goodwill, W. Va., and is doing a fine business.

Messrs. D. M. Ward and J. E. Carter qualified as deputy sheriffs in the Circuit Court here on the 11th inst.

Dr. Morris and Mr. A. C. Garnett each got a new horse from traders who were at Court.

Mr. John T. Oliver has two farm laborers he procured through Commissioner Koiner. One of the men is a Norwegian and the other an Englishman.

Mr. Don P. Halsey has challenged Senator A. F. Thomas, of the Lynchburg district, for a joint debate and the challenge is accepted, and they are to have seven joint debates; the first one came off at Hat Creek on the 15th inst. and the wind up to be at Rustburg, July 8th. Citizens of Appomattox, who are near enough to attend, are likely to hear something rich, rare, and racy.

The primary is to be held here on the 26th of July, and it looks now as if only the candidates for the Senate and the House will have their names printed on the tickets as no known opponents of the present county officers have appeared.

Mr. W. F. Whately, of Wingina, was married on the 10th inst. to Miss Bessie S. Rosen, a daughter of Mr. and Mrs. C. R. Rosen All of the parties are of this county; the marriage took place at the residence of Mrs. Walter Fore, in Lynchburg. They will take in the Exposition before returning to Buckingham, where he holds a responsible posit on with C. I. Johnson & Son, and where the newly wedded pair will be at home to their friends after June 25th.

Mrs. Ida Harman Mooreman, of Bluefield, W. Va., was here the last day of Circuit Court and qualified as guardian for her child. Mrs. Moorman is the widow of the late Leonard Mooreman and before marriage she was Miss Ida Harman, of West Virginia.

A phone message from "Saratoga," the home of Mr. E. W. Hubard, brought the news of the death of Mr. Willie Farlie, who was an old time resident of this place, and his body was brought here for interment.

Sheppards.

TIMES—Your Buckingham correspondent wants me to express an opinion on the sale, or non-sale of liquor in the county. Personally I would be glad if no liquor was sold in the State—not only in the County. But as Grover Cleveland remarked on a certain occasion, "It is a condition that confronts us not a theory."

I am told, rumor says, "they say," that hundreds of gallons of liquors are brought into Buckingham county and retailed by some body, (I don't know who), but I know that more drunkenness and disorder is seen at Buckingham Courthouse (on Court days), than I ever see at Farmville, where there is a Dispensary. This may mean that the Dispensary system is better, or it may mean that the law is not being enforced in Buckingham.

I think I can truthfully say that no liquor, "moonshine," or otherwise, is sold within five miles of Sheppards. Can your correspondent say as much for Buckingham?

I am heartily in favor of the Mann law, but no law can be enforced unless backed by public sentiment, and if what I hear is true of the condition of affairs in parts of our county I am afraid that "the people" are not in favor of the enforcement of the law, and so in that case a dispensary system might be an improvement.

Your correspondent cites the death of four citizens from alcoholism, which is very sad, but as there is no dispensary, no licensed saloon I would like to inquire where these men got the whiskey, which our correspondent says killed them? and also would more than four have died if the whiskey had been sold under legal control instead of, as it must have been, illegally? I am frank to confess that on this subject I am an agnostic, I do not know.

Quite a number of people have not yet finished planting tobacco, and there is more inquiry for plants than usual, but it is likely that every one who really wants to raise tobacco, can get plants enough. The pity is that our people will persist in raising too much tobacco to the neglect of other crops. The hay crop will be shorter than usual, and a great deal of corn will have to be replanted owing to the wet weather.

On June 5th, Miss Lizzie Mason, daughter of Mr. R. B. Mason, of Sheppards, and Mr. Lemuel Garrett were married at the home of the bride. The ceremony was performed by Rev. H. T. Allison, of the Baptist Church, after the ceremony a bountiful dinner was served and the bridal party left for the home of the groom near New Store. They have our best wishes for a long and happy life.

Mrs. and Misses Whitworth, of Bluefield, W. Va., have been visiting Mrs. Wiley Gillispie for some weeks.

Several of our neighbors have visited Jamestown, and I am safe to guess that a great many more will attend before the show is over. It's so near, and only costs $3.00 railroad fare, so there is not much expense attached to the trip.

The cases of Commonwealth vs. Paul Johnson and Charles Miles accused of barn-burning, were postponed until a later term of the Circuit Court. Johnson gave bail, but Miles is still in jail.

Hixburg.

The faces of the Hixburg farmers are wreathed in smiles since the sun has come out so beautifully. A result of which many crops are cut short.

The funeral procession which followed his remains was the longest seen in this community in the last fifty years. The line of buggies, carriages and wagons was a half a mile long.

Every Man His Own Doctor.

The average man cannot afford to employ a physician for every slight ailment or injury that may occur in his family, nor can he afford to neglect them, as so slight an injury as the scratch of a pin has been known to cause the loss of a limb. Hence every man must from necessity be his own doctor for this class of ailments. Success often depends upon prompt treatment, which can only be had when suitable medicines are kept at hand. Chamberlain's Remedies have been in the market for many years and enjoy a good reputation.
